-  **Fully certified**

Spinners for the playground

Pirouette is perfect for children wanting a quick spin. The long vertical pole in the middle makes it easy to hold on while standing on the round base at the bottom. The spinner is also perfect for smaller areas, as it does not take up much space.

Spinning supports children's development. It improves their sense of balance and motor skills, as they have to hold onto the spinner while increasing the speed at which they are spinning. Their spatial intelligence is also put to the test when spinning round and round. Children with a high level of spatial intelligence are better at assessing distance and speed as well as forming an overview. These are key abilities when navigating traffic.

Pirouette is available in either red or green, so you can choose the colour that best suits your playground. See the model in red.

Specifications

- Article number**
650090: In-ground mounting
- Recommended ages**
From 3 years
- Product dimensions (LxWxH)**
30 x 30 x 110 cm
- Area requirement incl. safety distances (LxW)**
330 x 330 cm
- Max. fall height**
28 cm
- Approximate installation time**
2 persons 2 hours
